Removing Illegally Parked Vehicles in Strata Blocks

Illegally parked vehicles taking up visitor parking spaces in strata blocks are becoming more and more of an issue as the Sydney community grows and creates more demand for parking.

It's reported that residents and non-residents are taking up visitor car parking with their extra cars, strangers dumping unregistered vehicles and apartments near major centres or transport hubs being targeted by commuters, all ignoring the rules and causing grief across Sydney's high-rise strata communities.

So, what can be done?

Are owners corporations powerless to remove illegally parked vehicles from visitor parking spaces in strata blocks? A recent article in SMH Domain suggests this is the case.

But what is the true position? Download to find out what can be done about Illegally Parked Vehicles in Strata.
