

Leaks, Rust and Mould... Misery!

It's the Gold Coasts crumbly 'faulty tower' with almost 1,000 [building defects](#). Building experts have described the building as life threatening.

Only seven years old and the apartment block may have to be demolished. Literally sick of living with leaks, rust and mould the long-suffering residents of the Silverstone apartment complex are taking ASX-listed property developer Villa World, seeking \$20 million in damages.
