

Contract Traps and Tips for Owners Corporations

We take a look at some common traps owners corporations fall into in their [service contracts](#) with building managers, caretakers, cleaners, and lift maintenance and fire safety services companies.

Knowing what these traps are and addressing them before entering into contracts will save owners corporations headaches, time and money over the years that these contracts operate.

Contracts are very important documents so it's best to get them right at the beginning. The way to do this is to get your contracts reviewed by a [lawyer](#) before they are signed.
