

# Have Your Say on the NSW Proposed Building Reforms!

The NSW Government is working to increase confidence in the NSW building industry by creating a new foundation for construction, by looking at improvement of laws and consumers/workers protection.

The Government is committed to:

- Improving safety, accountability and transparency
- Ensuring high-quality design, construction and maintenance
- Modernising and simplifying building legislation

## How to Have Your Say!

To have your say on the proposed building laws reform in NSW you can:

- Complete the [all-in-one](#) survey which allows you to skip through all topics to those that are of interest to you *or*;
- If you are only interested in a single topic, you may complete one or more of the [7 individual survey](#) topics
- You may also [make a submission](#) which allows you to give detailed feedback or respond directly to the questions in the regulatory impact statements

## Deadline for Your Feedback

To provide feedback please *Friday 25 November 2022*.

For more information, please refer to the [NSW Government](#) here.
