

# Is it Goodbye to “No Pets” Buildings?

In at least two recent cases, NCAT has decided that “no pets” by-laws are invalid.

Are strata [pet by-laws](#) banning the keeping of pets no longer worth the paper they are written on?

What about the basic habitation rights of owners who want to live in a “pet free” building?

Where does this leave “no pets” buildings? [Pet By-laws – Is it the End of No Pets By-laws?](#)
