

COVID-19: LAND REGISTRY SERVICES NEW PROCESSES

Land Registry Services new processes.

Restrictions imposed in response to COVID-19 have made it difficult to prepare, sign and witness paper land dealings. All of these land dealings involve a combination of steps, including:

1. Verification of Identity
2. Establishing the Right to Deal
3. Signing, Witnessing and Formal Certification

In order to maintain business as usual and complete these steps for paper dealings during the current COVID-19 environment, LRS have implemented new processes commencing this week from April 27, 2020.
