

Lodge Your Building Defect Complaint Now!

The NSW Building Commissioner, David Chandler, is asking for people to come forward with legitimate complaints about building defects – inclusive of waterproofing and structural issues.

His aim is to clean up the building and construction industry getting rid of dodgy builders. The more people that file legitimate building defect complaints the quicker this will be addressed.

Common Apartment Building Defects

- Internal Water Leaks
- Cracking to Internal Structures
- Cracking to External structures
- Water Penetration from Outside
- Guttering Faults
- Tiling Problems
- Defective Plumbing
- Inappropriately Installed Materials
- Combustible Cladding
