

The New Strata 'Top Ten' That Will Make a Difference!

Over 90 new strata laws will come into play later this year and of the 90 these are some changes that will most likely make a difference to your everyday.

1. Parking

Owners corporations will be able to reach agreements with local councils to allow parking officers into their schemes to issue fines to rogue parkers. Not only rogue parkers but residents who park over the lines of their parking spaces on to common property or leave their cars in visitor parking (however briefly) could also be ticketed. 2. Fines

Almost all fines will be paid to the owners corporation, but this won't be a cash cow for over-zealous committees; they still have to go through the same tribunal process. Read more [here](#).
