

One Case & Your Entire Block is Forced into Lockdown!

Did you know that the NSW Government now has the power to lock down your entire strata block with just one positive Covid Case?

Apartment residents could be hit by COVID-19 laws produced by the NSW Government, which is able to lock down entire unit blocks when just one person tests positive to the virus.

The police also now have new powers to patrol buildings, quiz everyone living in – and visiting – apartments for their names and phone numbers, and order them all to take COVID tests.

In addition, any non-residents present at the time a block is locked down could be trapped in the building.
