

Strata, Rain, Water Leaks and Common Property Fixes

NSW has experienced unprecedented wet weather this year which has made it difficult to find contractors who are able to repair common property defects in strata blocks.

However, the duty to repair common property is a strict one and there are limited exceptions to that rule. So does the recent inclement weather provide an owners corporation with a lawful excuse for delaying essential repairs and maintenance?

In this article we take a closer look at the responsibility of an owners corporation to repair common property... [Rain, Water Leaks, Delays, Tenants and Common Property Fixes](#).
