

Your Online Strata Defects Rectification Guide

NSW government launches new building defects guide.

The 'Strata Defects Rectification Guide' has been developed as a first point of call for current and future lot owners and stakeholders such as strata managers concerned about defects.

The online tool provides vital information helping to navigate the process of identifying, documenting, reporting and rectifying building defects in strata schemes.

Access to the guide is available here [Strata Defects Rectification Guide](#)

For all NSW strata legal including by-laws, building defect and levy collection advice contact us [here](#) or call 02 9562 1266, we're happy to assist.
