

Strata Levies Soar as the Cost of Living Rises

As the financial pressure heightens with rising interest rates and cost of living increases we're seeing more and more people default on their levy payments.

We all know that raising and collecting strata levies for building maintenance and scheme administration is fundamental to an efficiently run strata complex.

When owners corporations allow owners to fall behind in their levy payments it leads to cash flow problems for an owners corporation which could lead to critical building works not being addressed and many other issues.

Recovering Overdue Levies

The recovery of strata levies is unique and requires a detailed understanding of the various strata laws as they apply in NSW.

So, when it does become a legal issue, [recovering overdue levies](#) is highly technical with a number of steps that must be taken before commencing legal action to recover the overdue levies from an owner.
