Strata NSW Covid-19 Laws Extended

To help strata and community associations to continue to manage their responsibilities of COVID-19 the NSW Government has extended the timeline for these laws to remain in place.

Laws were previously added to the *Strata Schemes Management Regulation 2016* and the *Community Land Management Regulation 2021* in response to the NSW COVID-19 outbreak.

These laws included allowing voting at remote meetings to be held electronically by tele or video conferencing, email or other electronic means. It is important to note that these laws will still apply even if a motion has not been passed.

New COVID-19 Strata Law Deadlines

Initially these temporary laws were to end on 31 May 2022 however they will now remain in place until 30 September 2022.
