

Annual Reporting Communication Toolkit

As you're aware, recent changes to strata laws mean that all NSW strata schemes must, for the first time, complete online reporting.

The new strata portal will go live 1 July 2022 allowing strata committee members and strata managers responsible for reporting to register on the portal.

Communication Toolkit

This means that your networks will need to be advised of the reporting requirements. To assist with these communications NSW Fair Trading has developed a 'Communication Toolkit'.

This 'Communication Toolkit' includes suggested wording for:

- Newsletters
- Websites
- Emails
- Social Media
- FAQs

To access the 'Communication Toolkit' please [click here](#).
